Purchase of a Licensee Data List

This list contains all Iowa licensed physicians and acupuncturists regardless of their licensure status or practice location. The list is sent out via e-mail attachment and is in a standard comma separated value format.

The data list will include the following information:

Full name
Year of birth
Mailing address
Business telephone number
E-mail address
Iowa County (if applicable)
Medical school (if applicable)
Year of graduation from medical school (if applicable)
Two medical specialties (if available)
License issue date
License expiration date
License number
License type
License status
An indicator of whether the board has taken any public action on the license

The fee for the electronic data list is \$50. Make check or money orders payable to the Iowa Board of Medicine. Credit card payment is not accepted at this time. The fee must be received in the board office prior to the release of the list.
